Dear Lloyd:

This is an addition to my letter of 8 May, concerning the one to you from Mr. Davidson, and will also reply to your 19 May letter to me.

Since I wrote you on 8 May, Mr. Davidson has kept the pot boiling hard and many things have occurred. One of the most important of these is an exchange of correspondence between him and Bob Robertson. I am enclosing a copy of the two letters they exchanged and recommend strongly that you employ the general tenor of Bob's letter in your reply to Davidson.

I am also writing the other three panel members, Alvarez, Goldsmit, and Page, and sending them copies of the Robertson/Davidson exchange. This is being done in anticipation of their being bothered by Davidson as you and Bob have been. Perhaps a solid front erected between the panel members and Davidson will discourage him. He is taking far too much of all our time and effort.

In those cases where we have been required to correspond directly with Davidson, our reply has been solely one of acknowledging receipt and advising him that his queries had been forwarded to the Air Force for appropriate action.

Please contact me if you continue to be entangled in this matter.

Best regards.

Sincerely,

[Handwritten signature]
